### CORPORATE DESCRIPTION

L.A. Lacy offers a comprehensive range of mechanical and plumbing services. Our customer-oriented approach and successful project history have established us as a trusted resource for new construction, renovation, and specialty work. As a 100 percent employee-owned company, our employees have a vested interest in the successful completion of every project and absolute satisfaction for every client.

Functioning as a wholly owned subsidiary of the Branch Group, we serve clients throughout Central Virginia.
